Dear Raymond Resident:

In order to better serve the Town of Raymond, Waste Management will be adjusting the current curbside collection schedule for solid waste. On the reverse side of this flyer, you will find a revised collection route schedule for the Town. We ask that you please take time to look over this information carefully, effective May 6<sup>th</sup> curbside collection will follow this new schedule. **Please be sure to locate your street and confirm your collection day as some revisions have been made.**

- ❖ Curbside collections will no longer occur on Monday
- ❖ Monday collections have been moved to Friday
- ❖ Several streets have moved from Friday to Tuesday.
- ❖ You will find affected streets highlighted in bold type.

Collections on Wednesday and Thursday will NOT be affected.

These changes are being implemented after discussions between Waste Management and the Town of Raymond aimed at providing a greater level of service to residents while reducing the Town's overall solid waste costs.

We thank you for your time and patience as we make this transition. As always you may contact Waste Management with any further questions regarding your collection at: 1-800- 847-5303.
